Financial Policy

I hereby authorize the payments of medical and/or cosmetics to Delray Dermatology, LLC for services rendered.

I understand that it is my responsibility to verify my individual insurance coverage and benefits and verify providers in my network. I understand that I am financially responsible for any services not covered by my insurance carrier. I understand that I am financially responsible for any and all cosmetic procedures that I do in office.

I understand that I am fully responsible at the time of service for any deductibles, co-pay or coinsurance balance. Given the many high deductible insurance plans, we require payment in full on the day of service for any procedures performed that fall under the deductible or co-insurance OR a credit card to be left on file in a secure network to charge the remaining balance after it has been submitted to insurance. A care credit account may be used towards deductible payments over \$200. I understand that the fee I am quoted on the day of service is an estimate and that if there is a balance remaining I am responsible for paying any additional patient responsibility amounts as deemed by my insurance. I understand a \$50 fee will be charged if I present an insufficient funds check. We do not accept checks for any services over \$100.

I further agree to pay all collection costs, attorney fees, and any other expenses that may be incurred to enforce the collection of any amount outstanding.

I hereby authorize Delray Dermatology, LLC to release any medical information necessary to complete and process my insurance claims.

I understand that if blood work or biopsies are done that I may receive a separate invoice from the laboratory or pathology doctor who reviews and interprets my results. I will be responsible for paying all such invoices directly to the laboratory or physician.

I understand that Delray Dermatology, LLC and its employees are not responsible nor can be held liable for any theft or damage that could occur to my personal belongings or property, including but not limited to cell phones, tablets, watches or clothing.

Self-pay Financial Policy: (Only initial if you do NOT have insurance)

I currently do not have insurance coverage. Therefore, I understand that all charges must be paid at the date of service.

Prepaid Services: I understand that prepaid services are valid for one year from the date of purchase. After one year prepaid services are no longer valid. If prepayment expires, the credit from prepaid service can be used toward any treatment at full price or refunded to the original form of payment, if available.

Appointment cancellation

If it is necessary to cancel your scheduled appointment, we require that you give us at least 24 hours notice so your appointment time may be given to another patient in need. If you fail to cancel before 24 hours there will be a \$50 charge for medical appointments and \$100 for surgical or cosmetic appointments. (Unexpected circumstances may warrant special consideration.)
